oneIngredients

- 2 cups all-purpose flour
- 1 teaspoon baking soda
- 1/2 teaspoon salt
- 1 cup (2 sticks) unsalted butter, softened
- 3/4 cup granulated sugar
- 3/4 cup packed brown sugar
- 1 teaspoon vanilla extract
- 2 large eggs
- 1 1/2 cups semi-sweet chocolate chips

oneInstructions

1. Preheat the oven to 375°F (190°C). Line baking sheets with parchment paper.
2. In a medium bowl, whisk together the flour, baking soda, and salt. Set aside.
3. In a large bowl, beat the softened butter, granulated sugar, and brown sugar until light and fluffy, about 2 minutes.
4. Beat in the vanilla extract and eggs one at a time, mixing well after each addition.
5. Gradually add the flour mixture to the wet ingredients, mixing on low speed until just combined. Do not overmix.
6. Fold in the chocolate chips using a spatula.
7. Drop rounded tablespoonfuls of dough onto the prepared baking sheets, spacing them about 2 inches apart.
8. Bake for 9–11 minutes, or until the edges are golden brown and the centers are still slightly soft.
9. Let the cookies cool on the baking sheets for 2 minutes before transferring to wire racks to cool completely.

one

Chef's Note

oneFor the best results, chill the dough for at least 30 minutes before baking. This prevents the cookies from spreading too much and produces a chewier texture. You can also freeze the dough balls for up to 3 months and bake them straight from the freezer, adding 2–3 extra minutes to the bake time.

oneJane Baker · May 2026

one**Prep:** - **Cook:** - **Servings:** -
Difficulty: - **Cuisine:** - **Calories:** -

oneIngredients

- 400g spaghetti
- 4 cloves garlic, thinly sliced
- 1/2 teaspoon red pepper flakes
- 1/2 cup extra-virgin olive oil
- 1 cup fresh parsley, finely chopped
- 1 cup freshly grated Parmesan cheese
- Salt and black pepper to taste
- Juice of 1 lemon (optional)

oneInstructions

1. Bring a large pot of salted water to a rolling boil. Cook the spaghetti according to package directions until al dente. Reserve 1 cup of pasta water before draining.
2. While the pasta cooks, heat the olive oil in a large skillet over medium heat. Add the sliced garlic and red pepper flakes, sautéing until the garlic is golden and fragrant, about 1–2 minutes. Be careful not to burn the garlic.
3. Add the drained spaghetti to the skillet with the garlic oil. Toss well to coat the pasta evenly.
4. Add the reserved pasta water a little at a time, tossing continuously, until the sauce is silky and clings to the pasta.
5. Remove from heat. Stir in the chopped parsley, lemon juice (if using), and half of the Parmesan cheese. Season with salt and pepper to taste.
6. Serve immediately, topped with the remaining Parmesan cheese and an extra drizzle of olive oil.

oneChef's Note

oneThe key to great aglio e olio is getting the garlic perfectly golden without burning it. If the garlic starts to brown too quickly, reduce the heat immediately. For a twist, add 1/4 cup of toasted breadcrumbs on top for extra crunch.
